Newline

Newline Limited was established in Nairobi in 9th July 1998 . We have expanded our operations by offering our clients a 2-year warranty and a 2-year Back-Up service on purchased products. This has gained us the support and the help from our clients in becoming the leaders in this market.

In 2008, we changed the direction of the company when we started to manufacture furniture locally by investing in Hi-tech machinery. We are no longer furniture sellers only, but Furniture Manufacturers as well.

We have a strong workforce of over 80 employees providing services in sales, marketing, interior design, logistics, production, assembly, packing and general administration. We supply to the biggest government and private organizations in Kenya.

Strongest brands by consumers and thus accorded Superbrands 2012-14 and 2015-16 Award.

Were also awarded as one of Kenya's Top 100 Mid-Sized Companies 2019.
